Ephesians 2:8

For it is by grace you have been saved, through faith—and this is not from yourselves, it is the gift of God—(NIV)

Looking Forward:

This past Sunday, Al introduced the book of Ephesians. Over the next several weeks, the plan is to unpack the entire book. Al will be out of town on September 23rd – Wayne will be bringing the message that Sunday. On September 30th, Jude and Carolyn will be joining us for our 5th Sunday Fellowship Meal and our monthly family game event (normally on Friday night) – Jude will be delivering the message. Continuing to look forward, we will have a guest speaker (TBA) on October 21, as Al will be spending some time with Heather in Texas.

Other Upcoming Events:

- Saturday, September 15 TCC will be hosting the Community Market Place (formerly the small business bazaar) 8:00 3:00. This was a huge success last time and a great opportunity for community connection.
- Sunday, September 16 Leadership Meeting. We will plan to eat together and discuss a few items.
- Sunday, September 30 5th Sunday Community (Cover Dish) Meal and Family Game Day – begins immediately following service. We are combining two of our favorite events...Sunday Food and Games...this should be a great afternoon.

Prayer Focuses:

- Please continue to pray for Lenda's complete healing and restoration...great start, but we want to petition for more!! Great to have Jackie and Lenda back with us.
- Continue to pray for Lillian as she recovers from bronchitis...the report is that she is doing better yay, God...more Lord!!
- Continue to pray for God to move with Dana's parents...blessing upon blessing...divine health and restoration.
- Ellen Duncan has been diagnosed with Lyme Disease...we ask for Jesus to touch Ellen...peace!
- That Sirran and Jacob will have an ideal living situation present itself...we serve a great big God...He has something good for Sirran and Jacob...ask for God to release it!
- That we, the TCC, continue to grow in community and connection with one another. That we would have favor with one another and within our community; that we would individually and corporately have increased blessing; and that we would see increase, both personally and corporately, in-order-to see the fullness of God manifest in our community.
- Please pray that we, as a community, find rest and peace in the storm.
- That we find like-minded families and individuals who share in our mission and who would like to join us in our journey.
- Giving to reach \$4,000 each month...that all of the financial needs of the church and its people are met with surplus!
- Regular attendance to be at 40 attenders each week.
- That God would prepare for Al and Heather to have opportunities to see one another more frequently...that God would open doors that no man can shut.
- Continue to pray for our church mission: authentic worship; cultivation of community; discipleship and spiritual growth; and that we would have meaningful opportunities for outreach.
- Finally, that we would have loving, intimate connection with God, Jesus, Holy Spirit...and, of course, with one another.

"The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart."
